AKC Code of Sportsmanship

PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those invoked in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.

AKC National Owner-Handled Series ~ Saturday & Sunday

The AKC National Owner-Handled Series is a non-titling competition for dogs that are exhibited by their owners that are not professional handlers. Exhibitors must declare their dog is Owner-Handled eligible at the time of entry on the entry form. Dogs entered in the Amateur-Owner-Handled class will automatically be marked as eligible to compete in the NOHS. Eligible dogs will be identified by an asterisk in the judge's book, steward's book & the catalog. **Dogs must be handled throughout the breed level competition for the regular show by an eligible owner. Professional handlers, household members and current assistants** to professional handlers may not exhibit the dog in any NOHS competition during the entire show.** Owner-Handled Best of Breed will be selected from the dogs that are eligible to compete in the Best of Breed competition including Winners Dog, Winners Bitch and winners of the non-regular classes.

- If the Best of Breed/Variety winner is Owner-Handled competition eligible, it will automatically be Owner-Handled Best of Breed/Variety and be eligible to compete in both the regular as well as the Owner-Handled group.
 - If the Best of Breed/Variety winner is not eligible for Owner-Handled competition and the Best of Opposite Sex to Best of Breed/Variety is eligible, the Best of Opposite Sex to Best of Breed/Variety will compete against the eligible exhibits of the other sex to determine Owner-Handled Best of Breed/Variety.
 - If neither the Best of Breed nor the Best of Opposite Sex to Best of Breed/Variety are Owner-Handled competition eligible and Select Dog & Select Bitch are both eligible, the judge is to choose Best Owner-Handled exhibit from the Selects and eligible Winners Dog or Winners Bitch.
 - If one of the Selects is eligible, excuse all Champions and non-regular class winners of the same sex and then choose Best Owner-Handled exhibit from the remaining dogs of the opposite sex including the eligible Winners.
 - If Best of Breed, Best of Opposite Sex to Best of Breed, Select Dog & Select Bitch are not eligible, the judge may choose any eligible dog remaining in the ring including Winners Dog or Winners Bitch as Owner-Handled Best of Breed/Variety.
 - If the Best of Winners is eligible, the other Winner is ineligible since it was defeated.
 - No class dogs other than the Winners Dog & Winners Bitch are eligible to return to the ring.
- The breed will not be represented in the Owner-Handled Group if there is no eligible dog competing in the Best of Breed or in Best of Winners competition. "Professional handlers are defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay within the last five years." A current assistant is defined as anyone employed by a professional handler on a full-time basis, or assisting a professional handler at the show or any time during the cluster/weekend. Current assistants that are eligible to compete in Junior Showmanship (meet age & amateur status requirements) may participate in NOHS.

NOTICE: An agent is a person 18 years or older, other than an owner or co-owner, designated by the owner or co-owner of an exhibit to be handler of, and responsible for, the dog at the show. Agents' names may be followed by the initials which represent their AKC-recognized professional group affiliation or certification. Persons seeking the services of such an agent should familiarize themselves with the requirements for professional group membership or certifications which are available at the superintendent's office.

NO PRACTICING ALLOWED IN RINGS AT ANY TIME.

Dogs May Arrive any time prior to their scheduled time of judging. **Dogs not required for further judging will be excused.**

Entry Fees shall not be refunded in the event that a dog is absent, disqualified, excused by Veterinarian or judge, or barred from competition by action of the event's Show Committee. If because of riots, wars, strikes, civil disturbances, national emergencies, health emergencies, and the dictates of law enforcement or of the owner(s) of the grounds and/or facilities or other acts beyond the control of the management it is impossible to open or to complete the show, no refund of entry fee will be made. Extreme weather conditions, such as, but not limited to, snow storms, hurricanes, lightning, extreme heat, heavy rains, or other circumstances including, but not limited to, the condition of the facilities or grounds and/or the ingress and egress from the grounds, must be considered for the health and safety of the dogs, exhibitors and spectators. A judge requesting the use of a ramp must give notice to the show superintendent/show secretary prior to judging. AKC approval is not required.

At the discretion of the judge, the following breeds may be judged on the ground or on a ramp through all levels of competition including Group judging: Cirneco dell'Etna, Grand Basset Griffon Vendéens and Norottenspets (Misc.).

At the discretion of the judge through all levels of competition including Group judging, the following breed may be judged on the ground, a ramp, or on a table: Whippets.

IMPORTANT - TRANSFERS of dogs from regular classes to Best of Breed/Variety Competition (Ch. 11 Section 6, AKC Rules) MUST be made to the Superintendent/Show Secretary at least one half hour prior to the start of any regular conformation judging at this show.

HOW TO FIGURE POINTS IF YOUR CHAMPION DOG OR BITCH GOES BEST OF BREED

Grand Championship (GCH) points for BOB/Variety will be calculated according to the number of eligible dogs of both sexes competing in the regular and non-regular (eligible for Best of Breed/Variety) classes, as well as those dogs competing in Best of Breed competition. In no case shall BOB receive fewer GCH points than BOS.

A dog awarded BOS will be credited with eligible dogs of that sex competing in the regular and non-regular classes, as well as those dogs of that sex competing in BOB.

A dog awarded Select Dog or Select Bitch will be credited with all eligible dogs of that sex defeated in the regular and non-regular classes, as well as those dogs of that sex defeated in BOB (Less the dog awarded Best of Breed/Variety or Best of Opposite Sex.)

GCH points may only be awarded to Champions or unconfirmed Champions that are entered in BOB or winners of non-regular classes that are competing in BOB.

TIPS: Non-regular class dogs that are not eligible for Best of Breed/Variety are not counted in determining points. Veteran dogs or any other eligible entrants from non-regular classes can earn Grand Championship points. Any Champion dog from the regular or non-regular classes is not considered for the requirement to defeat at least one Champion of Record at three shows.

TIPS: When counting dogs in competition, you only count dogs present that are judged. Dogs that are disqualified, dismissed, excused, absentee or have all awards withheld do not count.

Schedule of Points

As of May 16, 2018

For complete Conformation Championship requirements see Chapter 16 of the Rules Applying to Dog Shows

The Points toward a Championship shall be awarded to the Winners Dog and Bitch of each breed or variety based on the actual number of dogs or bitches competing in that breed or variety.

If the dog designated Winners Dog or Winners Bitch is also awarded Best of Breed or Variety, the dogs of both sexes that have been entered for Best of Breed or Variety competition and that have been defeated in such competition, shall be counted in addition to the dogs that completed in the regular classes for its sex in calculating championship points.

If the dog designated Winners Dog or Winners Bitch is also awarded Best of Opposite Sex to Best of Breed or Variety, the dogs of its own sex that have been entered for Best of Breed or Variety competition that have been defeated in competition for Best of Opposite Sex, shall be counted in addition to the dogs that completed in the regular classes for its sex in calculating championship points.

After points have been computed for Winners Dog and Winners Bitch subject to the above two stipulations, the dog awarded the Best of Winners shall be credited with the number of points calculated for Winners Dog or Winners Bitch, whichever is greater. If no points are available for the Best of Winners, the number of regular class dogs in both sexes are added together and compared to the point schedule. If the total sum of regular class dogs and bitches meets or exceeds the number of competitors needed for one point in its sex, the Best of Winners will receive one championship point.

In counting the number of eligible dogs in competition, a dog that is disqualified, or that is dismissed, excused or ordered from the ring by the judge, or from which all awards are withheld shall not be included. Any dog which shall have won fifteen points shall become a Champion of Record, if six or more of said points shall have been won at two shows with a rating of three or more championship points each and under two different judges, and some one or more of the balance of said points shall have been won under some other judge or judges than the two judges referred to above.
