JUNIOR COURSER TEST: Open to all hounds of an eligible breed at least 1 year of age. A hound running alone shall receive a certification from a judge on one date and a second certification from a different judge at a later date, stating that the hound completed at least a 600 yard course with a minimum of four turns. The hound must complete the course with enthusiasm and without interruption.

QUALIFIED COURSER TEST: Open to all hounds of an eligible breed at least 1 year of age. A hound (Qualifying Hound) running with another hound of the same breed - or another breed with a similar running style - (Testing Hound) shall receive certification from a licensed judge. The hound must complete the course with enthusiasm and without interruption, sufficiently course the lure and not course the Testing Hound.

The judge will certify that the Qualifying Hound ran cleanly and did not appear to present a hazard to the Testing Hound at any point in the qualifying course. This certificate is required to enter a hound in an Open Stake. The handler presenting the Qualifying Hound shall be responsible for providing the Testing Hound for the qualifying course. Upon successful completion of the Qualified Courser test, the judge completes a certificate and awards it to the handler. This certificate must be submitted to the host club with the hound's first entry in an Open Stake. The certificate must be included when the results of the trial are sent to the AKC.

For the back field, "Big Pretty," you will enter Gate 1 which is a bit further down Glendale, **99 Glendale Rd.** if you're using GPS. Signs will be posted for direction. Stay on the Gravel drive. RV's will be able to make it out to the backfield, but we plan on having shaded areas for the RV's and some cars to park in off the field. In case of loss of traction, a tractor and loader will be on hand for assistance. Significant improvements have been made to the property since the June trial including a straighter path, gravel the entire way and more shaded areas.

Field & Course Plans

- The field has little shade and has natural and fence boundaries, entrance will be unobstructed.
- Please bring your own shade and water.
- High temperatures this time of year are historically below 85 degrees. We will start early and hopefully be done early.
- Battery powered, continuous loop lure machines will be used. The lure will consist of plastic strips. The members of the Carolina Afghan Hound Club reserve the right to alter the course plan as required by weather and/or field conditions on the day of the trial.
- Any person, upon reasonable complaint, may be asked to leave the grounds of the field trial by the Field Committee and may be disciplined by the AKC. Children must be under control of their parent(s) or guardian(s) at all times.
- Neither Kominek Farms nor MAHA and its members will be held responsible for any accidents at this trial.
- Please pick up after yourself and dogs and dispose of all trash/waste.
- Do not throw anything away into the porti-potties that shouldn't be in there (ie. Poop bags).

For First Time Coursers and Handlers

- **WHAT ARE PRE-ENTRIES?** - Entries made before the closing date. If your entry is mailed in time yet due to the failure of the postal service it is not received in time for the Test Secretary to have it at the Event, then you will have to fill out day of entry forms on the day of the trial. Always have your dog's registration materials with you when you go to a test.
- **WHAT ARE "DAY OF" ENTRIES?** - Entries accepted after the closing date for pre-entries are considered Day of Entries. The deadline for Pre-entries is typically two days before the event. "Day of" entries are usually more expensive because the Field Test Secretary (FTS) must take extra time to add those entries to the record sheets the morning of the test, which delays the start of the trial. If you are entering on the day of the test, you MUST have your completed entry to the Test Secretary BEFORE Roll Call.
- **SLIP LEADS** - There is a type of collar for coursing called a slip lead, which is worn only to control the dog prior to release. The collar drops away as the dog is released to chase the lure and they run without anything around their necks that could be dangerous. **SLIP LEADS WILL BE PROVIDED**
- **INSPECTION** - Dogs will be inspected by a designated Inspection Committee consisting of at least two persons who are members of the Field Committee and who shall inspect each entered dog for lameness, fitness to compete and female estrus (in season). Inspection shall take place prior to any form of wrapping being applied to the dog. In the opinion of the Inspection Committee, any entry found to be lame, unfit to compete or in season shall not be allowed to enter and the applicable entry fees shall be refunded.
- **ROLL CALL** - The time, prior to the commencement of coursing, by which you are supposed to have your dog ready for inspection by the Inspection Committee. At roll call the dog is examined for lameness, and breed disqualifications (where applicable). Unspayed bitches are examined to see if they show any evidence of being in season. After roll call the list of passed hounds is taken to the Field Test Secretary so that the run order can be prepared.
- **RUN ORDER LIST** - This is a posted list of the running order for the dogs participating in the event. Always check the record sheet after the Roll Call to confirm your dog's Run Order.
